Building a better working world
With the announcement of Vision 2020, EY has defined “Building a better working world” as the purpose for the organization. As a professional service provider, we are dedicated to enhancing the confidence in the world’s capital markets and building a better working world for our people, our clients and our communities.
Our expert team with leading service and industry insight can deliver differentiated service. EY Han Young provides top quality service by building teams of experts equipped with industry-specific experience and knowledge. Our expert teams with insights in diverse industries including finance, energy, technology, construction and manufacturing, deliver optional solutions to your needs.
As a professional service provider, EY Han Young believes that providing exceptional service is our most important competitive differentiation factor. By staying connected with our clients, EY’s responsive and insightful experts provide services of exceptional quality.

EY has achieved the most sophisticated level of integration as a global professional service organization. Our collaboration network is more than just a formality, enabling experts across the world to share information and cooperate as a single organization to provide differentiated service.

In particular, a team of leading experts of respective countries is allocated to our Global 360 clients, which are designated as global leading companies, to support their global business success.
EY has a robust global network consisting of 175,000 experts across 148 countries. This strong network enables us to support the global business activities of our clients.
The Korean Business Network is operated in key locations around the world in order to provide optimized services for global business. Our local EY experts who are the most knowledgeable about the local business environment and our local Korean speaking experts work together to help you succeed in your global business.
EY delivers differentiated assurance, tax, transactions and advisory services to clients all over the world and operates a special organization for servicing financial firms. Learn more about EY Han Young’s diverse professional services dedicated to solving your issues and delivering better business performance.
Assurance
EY Han Young provides top quality assurance services based on our differentiated global audit methodology. We present timely and insightful views to management, objective and transparent views to audit committees and reliable information to investors.

Entrepreneurship

We at EY Han Young applaud leading entrepreneurs who have taken advantage of their unique vision, passion and challenging spirit to turn their dreams into reality. By promoting entrepreneurship across the society, we believe that we can contribute to building a healthy and vibrant economy.

Entrepreneur Of The Year

EY’s Entrepreneur of the Year is a world-class business award program that is annually held in over 50 countries around the world, including Korea. Every year, winners of each country are invited to the global Entrepreneur of the Year ceremony held in Monte Carlo, Monaco to exchange opinions and discuss the significance of true entrepreneurship.
Corporate Social Responsibility

EY Han Young dreams of a future where all of our employees and the overall society can pursue sustainable growth. All of our employees are involved in various volunteering activities, including the World Vision Love Lunch Box donation, Hanmaum mentor school, coal briquette of love outreach, volunteering at Raphael clinic and Habitat for humanity programs.

About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization and may refer to one or more of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit ey.com.
