

# Alternatives 4 children

The Dutch Alternative Financial Industry  
joins forces in providing  
alternatives 4 children in need

## Mission Statement

---

**Providing long lasting alternatives to  
children in need.**

- Raising money
  - by organizing **networking events** in the Netherlands involving participants of this industry and their investors.
  
- Granting money
  - The money raised will be granted to carefully **selected projects** that are giving children an alternative for their future.

- A4C organised two events in 2011.
- A4C **Cocktail in the College Hotel** on May 19<sup>th</sup>.  
This event was attended by 110 + financial professionals
- A Black tie **Gala dinner on October 6<sup>th</sup>** at the Grand Hotel Amsterdam, attended by 160 + professionals and their guests.
- Both events and donations allowed us to raise more than € 80.000 after costs
- **What will happen with the donations?**

- Targeted tangible projects
  - significantly improve the chance in life of children
  - developing countries and /or the Netherlands
  - sustainability through funding on longer term
  - Mainly education orientated projects
- All with the aim at providing alternative opportunities to children

- Grant committee activities are supervised by an Advisory Board composed of recognised members of the Dutch Alternative Financial Industry and Dutch Non Profit Organisation
- The Grant Committee
  - Identify and select projects
  - Monitor the progress
  - Evaluate the project
  - Report the results to the donors, participants and sponsors
- The members of the Grant committee's are members on a voluntary basis
