Dear Sirs

HS Realisations Limited (formerly known as Hewden Stuart Limited) (in Administration) ('the Company')

As you are aware, on 22 November 2016, the Company entered Administration and S J Woodward and C P Dempster of Ernst & Young LLP were appointed as Joint Administrators.

Following the appointment of the Joint Administrators, the Company allowed hire contracts to continue as normal (excluding crane and cross-hire assets where separate arrangements have been communicated). In line with the Joint Administrators' strategy to realise the Company's remaining assets via a series of auctions, it is now necessary to bring remaining hires to an end.

Consequently, please take this letter as notice that current hires will end on 28 February 2017, to the extent that you do not take steps to off-hire the asset(s) before this date. Collections will take place between 1 March and 7 March 2017.

Should you wish to off-hire before 28 February 2017, please contact your local depot or call 0141 771 1777. Collections will take place in the seven day period following the off-hire date.

Please note that the terms of this letter do not apply to radio and communication equipment which will remain on hire for the time being.

Appendix A to this letter details the assets (excluding radio and communication assets) which the Company's records show as currently being on hire to you, along with the locations of where these assets are understood to be held. Should any of these details be incorrect please call 0141 771 1777 immediately to provide the correct details.

Should you have any queries, please do not hesitate to call 0141 771 1777 or email Lorraine.Tolmie@Hewden.co.uk.

I apologise for any inconvenience this decision may cause and thank you for your support during the Administration.

Yours faithfully
for the Company

M B Warbrick
