Navigating the digital future

Technology is fundamentally revolutionizing how businesses operate, compete and deliver products and services. Organizations are grappling to navigate this technology revolution. At EY, we understand how to use technology-enabled innovation to differentiate business and drive market advantage for the organization of the future.

Through the pages of our 2018 calendar, we share how we are helping organizations and government navigate the digital future and thereby building a better working world.

About EY
EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit ey.com.

© 2017 Ernst & Young Services Private Limited. Published in India. All Rights Reserved.

EY in India
EY in India is the country's leading professional services organization. It has also been ranked as a Tier One Tax Firm by the *International Tax Review* - *World Tax Guide* for 14 consecutive years and the #1 Financial Advisor for 15 consecutive years for most number of deals from 2002-2016 on the Bloomberg M&A League Tables, among others.

The organization is also acknowledged as a leading employer of high-quality talent. EY works with communities in different parts of India in the areas of education, environment and entrepreneurship.
