Representative experts

Appropriate credentials
Our expert witness certifications include:
- Certified Public Accountant (CPA)
- Accredited in Business Valuations (ABV)
- Certified Valuation Analyst (CVA)
- Certified in Financial Forensics (CFF)
- Certified Fraud Examiner (CFE)
- Chartered Global Management Accountant (CGMA)
- Certified Information Technology Professional (CITP)
- Certified Insolvency & Restructuring Advisor (CIRA)
- Certified Insurance and Reinsurance Arbitrator

Experience
We are familiar with procedures in various forums, including:
- Federal court
- State court
- Tax court
- Local and municipal court
- Bankruptcy court
- Arbitration
- International arbitration

We understand the required level of proof to support an expert opinion and provide non-speculative options that can stand up to the scrutiny of cross-examination.

Global reach
Our Fraud Investigation & Dispute Services (FIDS) practice comprises more than 4,500 professionals across 154 locations around the world.

Leading forensic technology
Our more than 1,000 dedicated, in-house forensic technology professionals provide a wide range of eDiscovery and forensic data analytics capabilities alongside our testifying witnesses. Our support is particularly relevant for cases involving large or complex data sets. We use leading technology platforms to provide the following services:
- eDiscovery
  Capture, process and prepare large volumes of electronic data for review in a forensically robust manner on a user-friendly platform
- Managed document review
  Includes providing and managing legally qualified resources covering a wide range of languages and areas of law
- Forensic data analytics and data visualization
  Investigative data linking, social network analysis, artificial intelligence, scenario modeling and effective presentation of complex data sets
Our experts can assist with:

- Analyzing court filings and case documentation in order to quickly evaluate claims at issue
- Preparing document requests and interrogatories to obtain relevant information
- Drafting questions for the depositions of opposing expert(s) and fact witnesses, and attendance at these depositions, if requested
- Evaluating and responding to claims made by opposing parties
- Analyzing, critiquing and responding to opposing experts’ reports
- Developing well-supported, non-speculative opinions
- Creating graphics and charts to facilitate jury and/or trier of fact understanding of complex issues
- Preparing clear and concise expert reports that meet relevant standards and summarize work performed and opinions reached in the matter
- Post-acquisition dispute services, including dispute strategy formulation, report preparation, trial preparation and testimony, or serving as the third-party neutral arbitrator

Our experts have relevant subject-matter and industry expertise covering:

- Asset and funds tracing
- Audit and professional malpractice
- Banking and financial services
- Bankruptcy and insolvency
- Commercial damages analysis
- Crime and fidelity
- Construction and bonding
- Divorce and dissolution
- eDiscovery and computer forensics
- Energy and utilities (including oil and gas)
- US GAAP and financial reporting
- Health care
- Insurance recovery and disputes
- Insurance regulatory matters
- Intellectual property
- International arbitration
- Life sciences
- Lost earnings
- Media and entertainment
- Partnership disputes
- Ponzi schemes
- Post-acquisition disputes (expert, neutral/arbitrator)
- Public sector (including government contracts)
- Real estate disputes
- Retail and consumer products
- Sales practices
- Shareholder matters
- Tax
- Telecommunications
- Theft of trade secrets
- Transportation
- Valuation
