

**Do you have the
ability to adapt to an
unfamiliar landscape?**

Our EY FinanceOnSite consultants do.

The better the question. The better the answer.
The better the world works.

**Shape the future
with confidence**

More than ever, finance is at the heart of business strategies. Revenues management, cost control, financial & strategic planning, investment analysis, risk management, compliance and talent acquisition & retention are all key factors to guarantee business continuity, profitability and growth. In these times of continuous change and uncertainty, it is important to find flexible and rapid solutions to ensure the continuity of finance departments.

Our purpose

EY FinanceOnSite services seek to safeguard the continuity and efficiency of our clients' Finance operations. When faced with busy, challenging or unexpected times, our EY FinanceOnSite Consultants thrive due to an inspiring work environment in which they can further develop their skills and fulfill their true potential.

What do we deliver?

EY FinanceOnSite offers in-house, temporary, hands-on operational support to our clients' Finance teams. Based on a service agreement, EY FinanceOnSite consultants will work on a project basis and operate onsite at the client facilities while being on EY's payroll.

Areas of expertise

EY FinanceOnSite consultants provide expertise in a wide range of fields:

- AP/AR Accounting
- GL Accounting
- Cash
- Treasury
- Financial & Business Controlling
- FP&A
- Business Analyst
- Internal Control
- Internal Audit

Where does EY FinanceOnSite fit best?

When your answer is "yes" to one of below questions:

- Is one of your employees on maternity leave, sick leave, taking a sabbatical?
- Are you facing a peak in workload or a sudden drop in workforce?
- Are you lacking senior professionals for key positions within your team
- and is this having an adverse effect on your business activities?
- Are you looking to change your accounting system, optimize your finance processes, implement an innovative idea but don't have the necessary resources in-house or time to make it happen?

Why EY FinanceOnSite is your preferred partner?

We always start by defining and assessing your organization's needs. As we highly value your unique company culture, we will always try to find the consultant who best fits your organization, thereby guaranteeing a smooth integration within your team.

Our Finance consultants are flexible, hands-on and dedicated to delivering high-quality results. Our rigorous selection process, mentoring program and extensive learning program ensure that our consultants are immediately operational and bring a fresh perspective, expertise & methodology to your team. Moreover, behind each consultant, there is a team of specialists available who can provide customized support in case of any specific need or question.

EY | Building a better working world

EY is building a better working world by creating new value for clients, people, society and the planet, while building trust in capital markets.

Enabled by data, AI and advanced technology, EY teams help clients shape the future with confidence and develop answers for the most pressing issues of today and tomorrow.

EY teams work across a full spectrum of services in assurance, consulting, tax, strategy and transactions. Fueled by sector insights, a globally connected, multi-disciplinary network and diverse ecosystem partners, EY teams can provide services in more than 150 countries and territories.

All in to shape the future with confidence.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
