

The background of the slide is a dense, abstract field of vertical bars or spikes. These bars are colored in a gradient from dark blue on the left to bright yellow on the right, with shades of teal and green in between. The bars vary in height and are packed closely together, creating a textured, almost 3D effect.

The background of the entire page is an abstract, dynamic composition of thousands of thin, vertical bars of varying heights and colors. The colors transition from deep purple and blue on the left, through teal and green in the center, to bright yellow and orange on the right. The bars are densely packed and appear to be moving or vibrating, creating a sense of energy and complexity.

EY | Building a better working world

EY is building a better working world by creating new value for clients, people, society and the planet, while building trust in capital markets.
