

EY service lines (SL) in a nutshell

Autumn 2023

SLs in a nutshell | Meet Assurance

What we do

We provide assurance on financial statements. We review strategies, assess risks, evaluate business plans, protect enterprise reputation but also offer roles in the field of sustainability, data analytics and emerging technologies to deepen our understanding of our clients and their businesses.

Why we do it

In order to survive and grow in an increasingly competitive business environment, organizations are required to report not only on their financial performance, but also their nonfinancial performance.

What it takes

Bring your analytical and innovation mindset. Your thirst for knowledge and learning will help you succeed and with healthy skepticism and an eye for detail you bring the right skills. We have clients in all areas and provide you with an in-depth view of our client's business.
