

How can you turn insights into value at deal speed?

Introducing Diligence Edge

Diligence Edge is part of the EY-Parthenon integrated suite of AI-enabled tools that delivers deeper insights at deal speed. Built on decades of EY-Parthenon IP and sector experience, it sharpens analysis, safeguards sensitive data – helping enable deal teams to focus on the questions that matter most: Where is the upside? What could go wrong? How do we unlock value from Day 1 and beyond?

What does Diligence Edge do?

- **Accelerates diligence:** Helps transform diligence speed and depth through AI-driven automation
- **Sharpens focus:** Brings strategic value drivers to the forefront with unmatched speed and clarity
- **Protects what matters:** Secures sensitive deal data with enterprise-grade safeguards and full traceability
- **Human + AI Edge:** Combines EY-Parthenon experience with AI to surface risks early and delivers actionable, market-grounded insights

Welcome to the Digital Diligence Assistant

An automated AI platform to accelerate data review/analysis, suggest insights/perspectives and aid report writing/review processes

■ ■ ■
The better the question. The better the answer.
The better the world works.

How does Diligence Edge benefit you?

■ Digital Diligence Assistant

- Automated AI platform embedded with EY-Parthenon IP that helps accelerate analysis, surface insights and flag risk and value drivers.
- Protects sensitive deal data with enterprise-grade security and project ringfencing.
- Streamlines reporting with Excel and PowerPoint add-ins, increasing team capacity to provide value-add advice.

■ Automation suite

- Less manual preparation frees teams to focus on value creation and client discussions.
- Streamlines workflows by automating data ingestion, extraction and analytics.
- Provides clarity faster with structured outputs that support analysis and decisions.

■ People-powered innovation

- EY-Parthenon professionals apply sector experience and critical judgment to AI-driven insights.
- Human oversight helps ensure outputs are reviewed for accuracy, relevancy and context.
- Practitioners' attention focused on challenging assumptions and shaping deal outcomes.

■ Global deals and experience

- Benchmarks target performance against EY-Parthenon Global sector datasets.
- Surfaces competitor actions and market signals beyond management-provided data.
- Broadens diligence perspectives to highlight ecosystem opportunities and risks.

EY | Building a better working world

EY is building a better working world by creating new value for clients, people, society and the planet, while building trust in capital markets. Enabled by data, AI and advanced technology, EY teams help clients shape the future with confidence and develop answers for the most pressing issues of today and tomorrow.

EY teams work across a full spectrum of services in assurance, consulting, tax, strategy and transactions. Fueled by sector insights, a globally connected, multidisciplinary network and diverse ecosystem partners, EY teams can provide services in more than 150 countries and territories.

All in to shape the future with confidence.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.

About EY-Parthenon

Our unique combination of transformative strategy, transactions and corporate finance delivers real-world value – solutions that work in practice, not just on paper.

Benefiting from EY's full spectrum of services, we've reimagined strategic consulting to work in a world of increasing complexity. With deep functional and sector expertise, paired with innovative AI-powered technology and an investor mindset, we partner with CEOs, boards, private equity and governments every step of the way – enabling you to shape your future with confidence.

EY-Parthenon is a brand under which a number of EY member firms across the globe provide strategy consulting services. For more information, please visit www.ey.com/parthenon.
