1. Introduction

1.1 Introduction

On 28 August 2018, the Royal Court of Jersey ('the Court') ordered that, pursuant to Article 155 of the Companies (Jersey) Law 1991 ('the Law'), Petrostem Group Limited ('PGL'), Petrostem International Limited ('PIL') and Petrostem Rentals Limited ('PRL') (together, 'the Companies') be placed into Just and Equitable Winding Up and that C P Dempster, S A Gardner and G D Yuill be appointed Joint Liquidators for the purposes of such winding up. Due to C P Dempster's retirement from EY, K S Aspin of EY was appointed as replacement Joint Liquidator on 9 June 2023 by the Court.

I write, in accordance with paragraph 11 of the Act of the Court under which the Joint Liquidators were appointed, to provide creditors with a report on the progress of the Liquidations. This report covers the period from 28 February 2024 to 27 August 2024 and should be read in conjunction with the Creditors' Meeting Report dated 3 October 2018 and our previous progress reports covering each six month period from 28 August 2018 to 27 February 2024.

Certain statutory information relating to the Companies and the appointment of the Joint Liquidators is provided at Appendix A.

S A Gardner, K S Aspin and G D Yuill are UK licenced insolvency practitioners and, consequently, are bound by the Insolvency Code of Ethics when carrying out all professional work relating to the liquidations.

1.2 Creditors' Meeting and Liquidation Committee

As previously reported, a meeting of creditors was held on 4 October 2018 and no liquidation committee was elected for PGL, PIL or PRL. However, a Creditors' Steering Committee was elected in respect of the liquidations of the Companies and also of two related companies in the PPG Group.

On 15 September 2023, a notice of resignation was received from one of the three members of the Creditors' Steering Committee and, as a Committee must have at least three members, it has consequently been disbanded.

2. Conduct of the liquidations since 28 February 2024

2.1 Purpose of the liquidation

As detailed in the Creditors' Report, the Joint Liquidators strategy in respect of the insolvency of the Petrostem Group, including PGL, PRL and PIL, is to:

- ▶ Cease to trade the business of each of the entities to which the Joint Liquidators have been appointed (subject to the point noted below in our previous progress reports in relation to trade debtors);
- ▶ Collect in the trade debtor balances due to the Companies. In order to protect the collection of these trade debtor balances, the Joint Liquidators determined that it was appropriate to allow existing customers to continue to use existing equipment on hire whilst a managed handover of their rental contracts to a new supplier over an agreed period is arranged. No new rentals will, however, be commenced.
- ▶ Market for sale the individual assets, primarily the Petrostem Group's rental assets (drilling pipe).

2.2 Asset realisations

2.2.1 Inter and intragroup receivable balances

PGL

Pioneer Group is due \$38.3m to PGL. In April 2024, the sale of these debts due by Pioneer Group) to an independent third party was concluded, for total consideration of \$1,799,000. The sum of \$1,754,000 was received in the period covered by this report, with the balance of \$45,000 having previously been received in the form of a non-refundable deposit in 2020. Accordingly, realisations in this regard are now complete.

PIL and PRL

Intra and intergroup receivable balances due to PIL and PRL are summarised below:

- ▶ In respect of PIL, \$7.6m receivable from PGL; and
- ▶ In respect of PRL, \$17.0m and \$1.9m receivable from PGL and Petroleum Pipe Middle East FZE respectively.

As detailed further below, a complex subrogation modelling exercise has been undertaken to determine the final amounts due to/from each of the companies in the PPG and Petrostem Group following BoS being repaid in full. The quantum of any further realisations from PGL has not yet been finalised – see section 3.3 below. No realisations in respect of the balance due by Petroleum Pipe Middle East FZE are anticipated.

2.2.2 Bank interest (PGL, PIL and PRL)

During the period covered by this report, bank interest of \$80,149, \$11,906 and \$3,313 was received in each of PGL, PIL and PRL, respectively.

2.2.3 Petty cash (PIL only)

During the period covered by this report, petty cash held in Singaporean dollars, equivalent to US \$2,932, was lodged. No further petty cash balances are expected to be recovered.

3. Outcome for creditors

We provide below an indication of the current position with regard to creditors' claims and the process for determining the outcome for creditors.

3.1 Secured creditors

As previously advised, in November 2023, a final distribution of c.\$1.7m was paid to BoS from PPG, in full and final settlement of its claims against PGL and PIL (comprising unsecured claims of \$26.1m in PGL and PIL). BoS held no security in relation to PRL and did not submit a claim against this company.

3.2 Priority creditors

Neither PGL nor PRL employed any employees. Accordingly, the balance due to priority creditors for both PGL and PRL is \$Nil in respect of claims for employees' salaries and holiday pay. We are not aware of any other priority creditors under the Law.

Whilst PIL paid 35 employees, their contracts of employment were held with and visas were issued by various entities, including some entities out with the Petrostem Group.

Priority claims in respect of unpaid holiday pay for four employees totalling \$4k have been paid in full. The receipts and payments account for PIL at Appendix D shows a payment in respect of these claims of \$3k. The balance has been paid to an employee by their new employer in Iraq and PIL is due to reimburse that company in due course.

We are not aware of any other priority creditors under the Law.

3.3 Unsecured non-priority creditors

On 9 December 2019, we wrote to all known creditors of the Companies and advised them that any claims in the insolvency of the Companies required to be notified to the Joint Liquidators by 24 January 2020.

We have adjudicated on all creditor claims received and anticipate that the total level of unsecured non-priority creditors in PGL, PIL and PRL will be \$69.6m, \$12.2m and \$54.1m, respectively.

An interim distribution of \$800k was paid to unsecured non-priority creditors of PGL in February 2020. No distributions have been made to the unsecured non-priority creditors of PIL. An interim distribution of \$1.8m was paid to unsecured non-priority creditors of PRL in February 2020.

As previously reported, following full settlement of the debt due to BoS by the PPG and Petrostem Groups there are now surplus funds held across the Groups which fall to be distributed to unsecured creditors. However, we require to determine to which of the companies within the PPG and Petrostem Groups these funds properly belong and, therefore, the potential outcomes for unsecured non-priority creditors of the Companies and of the related insolvent entities in the PPG Group (PPG, PPC Cayman, PPC UK and PSB).

This is a complex legal area due to (i) the multi-jurisdictional nature of the insolvencies; (ii) the mix of secured and unsecured claims submitted by BoS; and (iii) the multiple, material intercompany claims, including subrogated claims, across the Petrostem and PPG Groups.

The Joint Liquidators have been undertaking detailed modelling work to determine this outcome. Our modelling work in this regard is now complete (hereinafter referred to as the 'Proposed Model'). Based on the Proposed Model, we currently forecast that further dividends of c.5%, c.4% and c.1% may be declared to third-party unsecured non-priority creditors of PGL, PIL and PRL, respectively (excluding intragroup and intergroup creditors).

In respect of the Companies, PGL, PIL and PRL (together, the "Jersey Companies"), the Joint Liquidators of the Jersey Companies are in the process of making a Representation to the Royal Court of Jersey, seeking the Court's sanction to make distributions to unsecured creditors of the Jersey Companies in the manner, and applying the methodology, set out in the Proposed Model. As part of this process, the Joint Liquidators have sought the consent to the Proposed Model of creditors representing 99% of the total third-party unsecured creditor claims (i.e. excluding intragroup and intergroup creditors) against the Jersey Companies, PPC Cayman and PPC UK. To date, creditors representing 43% of total third-party unsecured creditor claims have given their consent. The remaining creditors have until 7 October 2024 to do so (failing which the Court will be informed that they do not object).

A date will be fixed for the Court to hear the Representation following the expiry of the above noted deadline. It is possible that the Court may deal with the Representation on the papers (without a hearing). However, should a hearing be required, we anticipate that it could be listed for a day in or around November 2024.

For the avoidance of doubt, the Royal Court of Jersey is only being asked to provide sanction in respect of the Jersey Companies. Whilst the modelling of outcomes for creditors also impacts the insolvencies of PPC UK and PPC Cayman (which are incorporated under the laws of England and Wales, and the Cayman Islands, respectively), at this time, it is not the intention of the Joint Official Liquidators of PPC Cayman or the Joint Administrators of PPC UK to seek the sanction of the Cayman or English Courts, respectively. The Joint Official Liquidators of PPC Cayman and the Joint Administrators of PPC UK intend, that if sanction of the Royal Court of Jersey is received in respect of the Jersey Companies they will proceed to make distributions to creditors of PPC Cayman and PPC UK in the manner, and applying the methodology, set out in the Proposed Model.

We will write to all unsecured non-priority creditors of the Companies in due course to update them on (i) the outcome of the Representation; (ii) the quantum of any distributions; and (iii) the estimated timing of those distributions.

3.4 Creditor claims

If you have not yet submitted a formal claim in the liquidations and you wish to participate in any future distributions, please complete and return a proof of debt form along with any supporting documentation (invoices, statements, contracts, etc.) to Alastair Casey at this office or by email to petrostemgroup@uk.ey.com. The proof of debt form can be downloaded from the following web site:

https://www.ey.com/en_uk/administrations/ey-ppg-and-petrostem-insolvencies

Certain debts due from the Companies may have priority in accordance with Article 166 of the Law. If you consider that you have a claim in this category, please advise me immediately. If you hold any security for your claim or consider that you have title to any assets in any of the Companies' possession, please forward details to me as soon as possible.

Any sums due to any of the companies arising after our appointment must be paid in full and without set-off against any debts incurred by the relevant company prior to our appointment.

4. Liquidators' receipts and payments

A summary of the Liquidators' receipts and payments for the period from 28 February 2024 to 27 August 2024 is attached at Appendix C for PGL, Appendix D for PIL, and Appendix E for PRL.

5. Costs of the liquidation, the Joint Liquidators' remuneration, disbursements and payments to other professionals

5.1 Cost of the liquidation

In accordance with Article 165 of the Law, all costs, charges and expenses properly incurred in a winding up, including the remuneration of the liquidator, are payable out of the Companies' assets in priority to all other claims.

5.2 Remuneration and disbursements

By order of the Act of Court, the Joint Liquidators are permitted to charge their remuneration and any reasonable costs, charges and expenses of the Liquidation in accordance with Article 165 of the Law.

The above, in accordance with Article 163 of the Law, is subject to agreement between the Joint Liquidators and the Liquidation Committee or, if there is no Liquidation Committee, between the Joint Liquidators and the creditors or, failing such an agreement, as is fixed by the Court.

- ▶ Approval to draw their disbursements;
- ▶ For the Joint Liquidators to draw, as an interim claim, their remuneration for the period from the date of their appointment to Friday 21 September 2018; and
- ▶ That the Joint Liquidators may draw their remuneration four weekly in arrears subject to the provision in advance of a statement of such costs.

These resolutions were passed by the general body of creditors on 26 October 2018.

During the period covered by this report, the Joint Liquidators have incurred time costs of \$10,190, \$13,164 and \$8,826 in relation to PGL, PIL and PRL respectively. Total time costs to 27 August 2024 are \$1,251,969, \$1,025,208 and \$889,526 in relation to PGL, PIL and PRL respectively. Attached at Appendices F, G and H are detailed analyses of these time costs.

The time has principally been spent in relation to the following activities:

- ▶ Fulfilling the statutory obligations required of the Joint Liquidators including preparation of this and the previous progress reports, preparation of the Creditors' Meeting Report, and notifying the Joint Liquidators' appointment to all known creditors;
- ▶ Investigating the conduct of the Directors' and the circumstances leading up to our appointments as Joint Liquidators and challenging certain transactions that took place across both the PPG Group and Petrostem Group in the period prior to our appointment;
- ▶ Liaising with employees of the Companies, instructing payment to them of their employment costs and addressing queries received from them;
- ▶ Liaising with customers of the Companies and facilitating a handover of existing rentals to a new supplier, addressing ongoing requirements in relation to ongoing rentals and collecting amounts due to the Companies from these customers;
- ▶ Liaising with landlords of yards at which the Companies' rental assets are held and of offices occupied by the Companies;
- ▶ Closing PIL's JAFZA-registered branch and obtaining the necessary clearances from authorities;
- ▶ Marketing for sale the rental assets of the Companies, including preparing, in conjunction with our appointed agents, an appropriate sales and marketing strategy, appropriate asset lists and marketing documents, and reviewing offers received from interested parties;

- ▶ Realising the intragroup and intergroup debts due to the Companies by PSA, PSM, Pioneer Group and Innospection Group;
- ▶ Creditor adjudication and addressing correspondence and queries received from creditors;
- ▶ Determining the outcome for unsecured, non-priority creditors, including modelling and calculating subrogated claims across the Petrostem and PPG Groups; and
- ▶ Calculating and making interim distributions to ordinary non-priority creditors of PGL and PRL.

Basis of drawing fees

In October 2021, we agreed with the Creditors' Steering Committee that we would restrict the drawing of our fees as follows:

1. Statutory and reporting - we will restrict our fees in respect of statutory and reporting work to \$40,000 per annum for each of PGL, PIL and PRL from 28 August 2021 onwards.
2. Potential litigation - our fees in respect of the potential litigation (for PGL and PIL only) (as explained in the previous progress report) will be charged based on agreed hourly rates that are 25% higher than the rates set out above. Of these fees, 60% would be drawn when incurred subject to these funds being settled by the provider of litigation funding, with the balance of 40% of the fees incurred drawn from the proceeds from the potential litigation (if any).
3. All other aspects - we will restrict our fees in respect of all other aspects of our work to \$600,000 in respect of PGL, \$700,000 in respect of PIL and \$700,000 in respect of PRL unless the net realisations from their insolvency processes improves from that estimated at 28 October 2021. In that event, we will be entitled to draw 50% of the increased net realisations as further fees (subject to the Joint Liquidators' total fees being capped at the level of the time costs approved by the Creditors' Steering Committee).

Fees will only be billed where funds are available to enable payment to be made.

Fees drawn to date

No fees were drawn in the period covered by this report.

To 27 August 2024, Joint Liquidators' fees of \$769,458 have been paid in respect of PGL, \$777,998 in respect of PIL and \$760,000 have been paid in respect of PRL. We detail the apportionment of the fees drawn between each of the three categories detailed above in the table below:

| Category | PGL | PIL | PRL |
|-------------------------------------------|---------|---------|---------|
| 1. Statutory and reporting from 28 Aug 21 | 60,000 | Nil | 60,000 |
| 2. Potential litigation | 109,458 | 77,998 | n.a. |
| 3. All other aspects* | 600,000 | 700,000 | 700,000 |
| Total | 769,458 | 777,998 | 760,000 |

The current hourly rates are shown in section 5.2 above.

Joint Liquidators' charging policy for disbursements

Statement of Insolvency Practice No.9 defines expenses as any payments from the insolvency estate which are neither an office holder's remuneration or a distribution to a creditor or member.

Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do require prior approval (Category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder
- Category 2 expenses are payments to associates or which have an element of shared costs.

Expenses also include disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Disbursements fall into either Category 1 or Category 2.

It is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn. It is our policy, to seek approval for Category 2 disbursements before they are drawn.

Joint Liquidators' charging policy for disbursements

Statement of Insolvency Practice No.9 defines expenses as any payments from the insolvency estate which are neither an office holder's remuneration or a distribution to a creditor or member.

Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do require prior approval (Category 2):

- Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder
- Category 2 expenses are payments to associates or which have an element of shared costs.

Expenses also include disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Disbursements fall into either Category 1 or Category 2.

It is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn. It is our policy, to seek approval for Category 2 disbursements before they are drawn.
