TO ALL KNOWN CREDITORS

26 September 2022

Ref: RHK/CGJK/TH/AN/D16.1 Email: stylesandwood@uk.ey.com

Dear Sirs

Styles & Wood Limited (in Administration) ("the Company")

High Court of Justice, The Business and Property Courts in Leeds, Insolvency and Companies List (ChD), CR2020-LDS-000222

I write, in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the Administration.

On 28 February 2020, the Company entered Administration with R H Kelly, S J Woodward and C G J King appointed to act as Joint Administrators ('the Administrators'). The appointment was made by the Company's directors under the provisions of paragraph 22(2) of Schedule B1 to the Insolvency Act 1986.

This report covers the period from 28 February 2022 to 27 August 2022 and should be read in conjunction with the Administrators' Statement of Proposals ("the Proposals") dated 23 April 2020 and the previous progress reports.

Statutory information about the company, the administration and the office holders is set out at Appendix 1.

As insolvency practitioners, the Joint Administrators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. A copy of the Statement of Insolvency Practice 1 is available from https://www.icaew.com/-/media/corporate/files/technical/insolvency/regulations-and-standards/sips/england/sip-1-e-and-w-introduction-to-statements-of-insolvency-practice-oct-2015.ashx

Administrator Resignation

On 24 June 2022 R H Kelly resigned as Joint Administrator of the Company as he retired from the EY partnership on 30 June 2022. His resignation as Joint Administrator will have no impact on the Administration of the Company as C G J King and S J Woodward continue to remain in office.

Extension to the Administration

On 9 February 2022 a further extension of the Administration was granted by order of the Court pursuant to paragraph 76 of Schedule B1 to the Insolvency Act 1986. The extension was for a period of 24 months and accordingly, the Administration is now due to expire on 27 February 2024.

The primary purpose of the extension is to facilitate the ongoing asset realisation process, most notably, realisation of amounts due from the Company's contracts.

Summary of progress since last report dated 24 March 2022

Realisation of assets

Realisations from the Company's contract base

The composition of the value outstanding at the date of appointment is set out in the previous progress reports.

In the period covered by this report there has been an additional £5,000 (net of VAT) of further recoveries. The receipts and payments account for this reporting period also includes £45,817 of recoveries relating to the prior reporting period (due to the timing for transferring funds). Total recoveries to date are c.£1.8m. Additional recoveries have been generated after the reporting period end which will be included in our next progress report.

Joint Venture interests

Spatial Initiative Limited ("SIL")

There was significant outstanding value due to the Company from SIL in relation to live contracts at the date of appointment. This will be progressed as a priority.

Dutco Styles & Wood LLC ("DSW")

Final steps are underway to finalise and close the liquidation. No further realisations are anticipated in respect of this matter.

Other asset realisations

There are no other realisations to report in the period.

Receipts and payments account

A summary of our receipts and payments for the period from 28 February 2020 to 27 August 2022 is attached at Appendix 2. This includes receipts and payments specifically relating to the period covered by this report. It does not reflect estimated future realisations or costs.

Investigations

We have undertaken investigations into the Company's affairs, in accordance with Statement of Insolvency Practice 2 (Investigations by Office Holders), and the Company Directors Disqualification Act 1986 with the required statutory returns made to the Insolvency Services. As part of our ongoing role we are continuing to make further investigations into the background and circumstances giving rise to the Administration but currently await further third party information to be able to progress this. No third-party funding has been provided for any investigations.

Joint administrators' remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals'

publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at

https://www.icaew.com/en/technical/insolvency/creditors-guides or is available in hard copy upon written request to me.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

The Proposals stated that in the event a creditors' meeting is not requisitioned and a creditors' committee is not formed, the Joint Administrators would seek to have their remuneration fixed by the secured and preferential creditors, in accordance with Rule 18.8(4) of the Insolvency (England and Wales) Rules 2016. Accordingly, the Administrators requested that their remuneration be fixed on the basis of time properly given by them and their staff in dealing with matters arising in the administration.

The Administrators separately corresponded with the secured and preferential creditors in this regard and the basis of the Joint Administrators' remuneration was fixed by the secured and preferential creditors on 16 October 2020. For the avoidance of doubt, the Joint Administrators' remuneration has been fixed on a time cost basis.

To date, the Joint Administrators have incurred time costs in respect of the Company of £1,064,842 of which £36,225 has been incurred in the reporting period. Fees of £600,000 have been drawn to date. This is below the level forecast in the fee estimate dated 23 April 2020.

The Administrators will not recover their time costs in full and we will not draw remuneration in excess of the fee proposal without the prior approval of the secured and preferential creditors.

An analysis of time spent is attached at Appendix 4 for the various areas of work carried out to 27 August 2022. A description of work undertaken in relation to the time cost categories is also provided at Appendix 4.

Joint administrators' statement of expenses incurred

The secured and preferential creditors approval has also been sought for drawing Category 2 disbursements.

Further detailed commentary and analysis in relation to the expenses of the Administration is provided at Appendix 3.

During the period covered by this report, we have incurred administration expenses totalling £21,789 plus VAT (excluding Administrators fees and disbursements drawn) primarily relating to debt collection expenses (which are paid out of contract realisations) and legal fees.

Gross expenses have exceeded the original expenses dated 23 April 2020 by £70,138. Areas where additional spend has been incurred include (i) legal fees associated with the adjudication and enforcement on the St Ann's contract (c.£0.2m of additional costs) which have been settled from gross recoveries (ii) additional costs associated with the Technologies division support arrangement, primarily staff, property / utilities and IT. These have been recharged to the customers.

Debt collection expenses are lower than forecast and are, in effect, self-funding as they are paid on a contingent fee arrangement.

Outcome for creditors

Secured creditors

The Company had secured indebtedness of c.£48.6m at the date of appointment which related to cross guarantees provided in favour of HSBC UK Bank plc and Toscafund GP Limited ("Tosca").

HSBC and Tosca both have fixed and floating charges over the assets of the Company. The order of priority is as follows:

- ► HSBC; then
- ► Tosca.

HSBC

At the date of appointment, HSBC had an outstanding debt of c.£20.9m.

The level of realisations to HSBC is expected to be significantly below its exposure. To date, HSBC has received distributions totalling £1.9m under its floating charge security. No distributions were made to HSBC during this reporting period.

Tosca

At the date of appointment, Tosca had an outstanding debt of £27.7m which is part of the senior debt but subordinated to HSBC. We do not anticipate that there will be sufficient realisations to enable any cash distribution to Tosca in the Administration.

Preferential creditors

Preferential creditor claims totalling £249,317 have been paid in full. This includes the remaining balance of c.£1,575 being paid in the period.

Non-preferential creditors

Non-preferential creditor claims continue to be submitted and it is not possible to provide an accurate estimate of claims at this stage.

It is our intention to shortly commence the process of inviting creditors to submit their claims in the Administration. Separate correspondence will be issued in this regard.

Prescribed Part

Due to the anticipated shortfall to the secured creditors, the only distribution that will be available to unsecured creditors is the Prescribed Part.

The Prescribed Part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The Prescribed Part applies to floating charges created on or after 15 September 2003.

Our latest estimates indicate that:

- ► The value of the Company's net property (i.e. after costs of realisation and preferential creditor distribution) will be in the region of c.£3m; and
- ► This is estimated to result in the value of the Prescribed Part being £600,000 (before the costs of dealing with the Prescribed Part), which is the maximum value of the Prescribed Part for this Administration.

The Joint Administrators do not currently intend to make an application to the Court under section 176A(5) of the Insolvency Act 1986 for an order not to distribute the prescribed part.

Remaining work

The Joint Administrators will continue to manage the affairs, business and property of the Company to achieve the purpose of the Administration. This will include, inter alia:

- ► Continue to realise the assets of the Company, most notably value from the contracts as well as assessing potential counterclaim positions in respect of parties who may be entitled to participate in an unsecured dividend:
- Agreeing unsecured creditor claims and distributing the Prescribed Part;
- Dealing with unsecured creditor queries;
- ▶ Making further distributions to the secured creditors of the Company:
- Dealing with corporation tax and VAT matters which includes filing statutory returns;
- ▶ Ensuring all statutory reporting and compliance obligations are met; and
- Finalising the Administration, including payment of all Administration liabilities.

Next report

We will report to you again at the conclusion of the Administration or in six months' time, whichever is the sooner. Should you have any queries with any of the matters outlined in this report, please contact my colleague David Cameron at the email address provided above.

Yours faithfully for the Company

Notes

- Statement of Insolvency Practice No.9 defines expenses as any payments from the insolvency estate which are neither an office holder's remuneration or a distribution to a creditor or member.
- 2 Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do require prior approval (Category 2):
 - Category 1 expenses are payments to persons providing the service to which the expense relates who are not
 an associate of the office holder
 - Category 2 expenses are payments to associates or which have an element of shared costs.
- Expenses also include disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Disbursements fall into either Category 1 or Category 2.
- Since our previous report we have undertaken an exercise to reclassify Category 1 and Category 2 disbursements. This has also resulted in certain disbursements being reported in the Extentia Group Limited Administration (e.g. data hosting costs).

Significant time and resource has been expended in dealing with regulatory and statutory matters which the Joint Administrators are required to undertake, however they do not generate any direct financial benefit to creditors.

In particular, these areas relate to time spent on accounting and administration, bank and statutory reporting matters, employee matters, reporting, investigations, job acceptance procedures and statutory duties.

We would highlight that significant time has been spent on dealing with employee matters. This is a key area of the Administration and has also been further impacted by Covid.
