Dear Sirs

**Crawshaw Group Plc ('Plc')
Crawshaw Butchers Limited ('Butchers')
East Yorkshire Beef Limited ('EYB')
Gabbotts Farm Limited ('GFL')
Gabbotts Farm (Retail) Limited ('GFRL')
(all in Creditors' Voluntary Liquidation)
(together 'the Companies' or 'the Group')**

R H Kelly and I were appointed as Joint Liquidators of the Group on 30 October 2019. Accordingly, I now write to provide you with our report on the progress of the liquidations for the period from 30 October 2020 to 29 October 2021.

At Appendix A of this report, we provide information about the Group and the Liquidators. Copies of our receipts and payments accounts for the period from 30 October 2020 to 29 October 2021 are attached at Appendix B.

Progress during the period of the report

Finalised trading liabilities

Work has continued to finalise any outstanding liabilities due in relation to services provided from key suppliers (i.e., landlords, rating authorities and utility suppliers) during the Administration trading period. Final settlements have been agreed with all suppliers and there are no further outstanding liabilities relating to the Administration trading period that the Joint Liquidators are aware of.

RGV Refrigeration partnership

As outlined in our previous report, Butchers holds a 50% shareholding in an unincorporated joint venture, RGV Refrigeration ('RGV'). RGV held £63,500 in its bank account on 31 December 2018, however work independent of the Joint Liquidators was required to clarify the extent of RGV's liabilities to HMRC. The Joint Liquidators continued to conduct enquiries into the affairs of RGV during the period of this report and concluded that no further value is available to Butchers. Accordingly, the matter is now closed.

Tax position

Following the final asset realisation of the Group (the sale of the long leasehold property in Grimsby), the Joint Liquidators deregistered Butchers, Plc and GFRL for VAT purposes and submitted final VAT returns for the former VAT group. Accordingly, no entities in the Group remain registered for VAT. Work has also been completed to submit corporation tax returns for the first annual liquidation periods of Butchers, Plc, EYB and GFRL.

Distributions to preferential creditors

As detailed in the previous progress report, preferential creditors were paid in full in November 2018 in respect of arrears of wages and pensions, totalling c.£133,000 for Butchers and c.£1,600 for Plc.

The remaining preferential claims were in respect of the holiday pay of former employees where the balances due exceeded the amounts that the Insolvency Service had already advanced. Work has been completed during the period of this report to agree preferential claims and complete a final distribution to the preferential creditors of Butchers of £118,206.14 (comprising 100p in the £) on 19 August 2021.

The remaining distribution to preferential creditors of Plc will take place once it is in receipt of its unsecured dividend from Butchers and is estimated to be c.£17,000. Work has been undertaken during the period of this report to agree the relevant claims.

GFL, GFRL and EYB do not have any preferential creditors.

Agreement of non-preferential creditor claims – all companies

Following the request of non-preferential creditors to submit their claims, work has continued during the period of this report to review and agree non-preferential creditor claims against the Group.

The Joint Liquidators intend to issue further correspondence in early 2022 to encourage non-preferential creditors (in particular, landlords) to submit their non-preferential claims or provide further information in respect of existing claims with a view to being in a position to distribute to non-preferential creditors of the Group as soon as possible.

As outlined in our previous report, we expect to complete distributions to non-preferential creditors of Butchers and EYB at the same time. As the funds available to distribute to non-preferential creditors in GFRL, GFL and Plc are dependent upon non-preferential intercompany dividends received from Butchers, distributions to non-preferential unsecured creditors of GFRL, GFL and Plc will follow thereafter.

Due to the small number of landlord claims received to date, it is not possible to provide an accurate estimate of non-preferential creditor claims in any of the Companies at this stage. As outlined above, the Joint Liquidators intend to issue further correspondence to elicit landlord claims in early 2022.

As outlined in our previous report, depending on the value of landlord claims admitted in Butchers and Plc, there is a possibility that the non-preferential unsecured creditors of Plc and EYB may receive full repayment. If this is the case, there may be a surplus available for distribution to shareholders. However, this remains uncertain, and creditors will be updated in our next report once the non-preferential creditor claims agreement is more advanced.

Joint Liquidators' remuneration

In accordance with rule 18.20(4) of the Insolvency (England and Wales) Rules 2016, where an administrator becomes liquidator, the basis of remuneration fixed under rule 18.18 for the Joint Administrators is treated as having been fixed for the Joint Liquidators.

As the fees approved by creditors did not consider work to be completed in the liquidations, the Joint Liquidators' sought decisions of creditors by correspondence on the value of the Joint Liquidators' remuneration in respect of Butchers, EYB and GFL in December 2020. Details of the basis of remuneration fixed and time costs incurred for the period of this report (and to date) are outlined in the table below.

Company	Basis of remuneration (fixed in the administrations)	How the basis of the remuneration was fixed	Basis and quantum of the Joint Liquidators' remuneration	How the quantum of Joint Liquidators' remuneration was fixed	Time costs incurred during the period of this report (£)	Time costs incurred to date (£)	Joint Liquidators' fees taken during the period of this report (and to date) (£)
Plc	10% of realisations	Resolution of creditors on 18 January 2019.	As per the basis fixed in the administration (10% of realisations).	N/A – as per the basis fixed in the administration.	15,555.90	28,402.20	-
Butchers	Time-cost basis (fully drawn during the administration)	Resolution of creditors on 18 January 2019.	Time-cost basis (fee estimate of £198,173.40).	Resolution of creditors on 22 January 2021.	192,276.60	320,957.50	198,173.40
EYB	Fixed sum of £50,000 plus VAT (fully drawn during the administration)	Resolution of creditors on 18 January 2019.	Fixed sum of £20,000 plus VAT.	Resolution of creditors on 22 January 2021.	13,817.60	32,342.90	-
GFL	No remuneration will be drawn.	Written correspondence on 1 April 2019.	Fixed sum of £15,000 plus VAT.	Resolution of creditors on 22 January 2021 (basis and quantum).	2,564.90	11,456.90	-
GFRL	Fixed sum of £25,000 plus VAT	Resolution of creditors on 18 January 2019.	As per the basis fixed in the administration (fixed sum of £25,000 plus VAT).	N/A – as per the basis fixed in the administration.	12,859.50	21,650.80	-

At Appendix C to this report there is an analysis of the time spent and a comparison with the fee estimate dated 17 December 2020 for Butchers. As detailed in the table above, we have exceeded our fee estimate by £122,784.10 due to the additional time required to handle the volume and complexity of trade and employee creditor claims and comply with statutory and taxation requirements of the liquidation however we will not draw remuneration in excess of the fee estimate without the prior approval of creditors.

A narrative explanation of work done to date and why it was necessary to be done is provided at Appendix D in respect of all companies within the Group. Further details of work completed in the

previous liquidation period (30 October 2019 – 29 October 2020) are outlined in the Joint Liquidators' previous progress report.

Joint Liquidators' statement of expenses incurred

During the period covered by this report, we have incurred the following expenses in respect of the Companies. Breakdowns of the expenses incurred and a comparison to the estimates issued with this report are attached at Appendix E.

Company	Plc (£)	Butchers (£)	EYB (£)	GFL (£)	GFRL (£)
Payments made from the estate which are not disbursements	5,675.00	5,484.19	73.03	-	-
Category 1 disbursements	-	1,704.42	-	-	-
Category 2 disbursements	591.29	3,363.11	115.01	-	58.70
Total	6,266.29	10,551.72	188.04	-	58.70

The Joint Liquidators' expenses for Plc, EYB, GFL and GFRL are not expected to exceed the amounts provided for in the estimates provided to creditors dated 17 December 2020.

The Joint Liquidators anticipate that their expenses for Butchers will exceed their estimate by £2,912.25 primarily due to the following:

- Legal fees have exceeded their original estimate by £3,383.70 due to additional assistance required with regards to the sale of the Grimsby long leasehold property and the surrender and assignment of leases required to mitigate the value of unsecured landlord claims;
- Corporation tax has exceeded its original estimate by £165.65 due to higher than forecast charges and we anticipate another c.£1,000 of corporation tax will be incurred before the closure of the liquidation.
- External printing and postage, travel expenses have exceeded their original estimate by £1,482.00 due to higher than forecast charges and we anticipate another c.£2,000 of charges will be incurred before the closure of the liquidation.
- Internal bulk copying, printing and postage have exceeded their original estimate by £1,863.11 due to higher than forecast charges and we anticipate another c.£3,500.00 of charges will be incurred before the closure of the liquidation.
- The impact of the above additional incurred and forecast future charges is offset by the Joint Liquidators expectation that the contingency for residual trading costs from administration (originally forecasted to be £9,393.95) will not be required following the settlement of all known trading liabilities.

For the avoidance of doubt, no disbursements have been drawn to date and the Joint Liquidators will not draw Category 2 disbursements in excess of the estimates issued on 17 December 2020 without the approval of creditors.

Creditors' rights to further information about, and challenge, remuneration and expenses

The statutory provisions relating to remuneration are set out in Chapter 4 of Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Liquidators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to the Joint Liquidators.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Liquidators' Fees' referred to above.

Investigations

As outlined in our previous report, we concluded our investigations into the Companies' affairs, in accordance with Statement of Insolvency Practice 2 (Investigations by Office Holders), and the Company Director Disqualification Act 1986 with the required statutory returns made to the Insolvency Service during the Administrations. No further investigations were required as a result of the Companies moving into Creditors' Voluntary Liquidation on 30 October 2019 and no third-party funding has been required or provided.
