TO ALL KNOWN CREDITORS

Dear Sir or Madam

**Ridgewall Limited (“Ridgewall”), Connecting London Limited (“CLL”),
Nomis Connections Limited (“Nomis”), QDOS SBL Limited (“QDOS”)
and Telnet International Limited (“Telnet”) - All in Administration
(together ‘the Companies’ or the “Group”)**

I write, in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016, to provide creditors with a report on the progress of the Administrations. This report covers the period from 9 October 2025 to 8 April 2026 and should be read in conjunction with our previous progress report dated 7 May 2025 (for the period 9 October 2024 to 8 April 2025) and 5 November 2025 (for the period 9 April 2025 to 8 October 2025), and with the Joint Administrators’ Statement of Proposals (“the Proposals”) which were delivered to creditors on 17 October 2025.

On 9 October 2024 the Companies entered Administration and Timothy G Vance and I were appointed as Joint Administrators. The appointment was made by the Companies Directors under the provisions of Paragraph 22(2) of Schedule B1 to the Insolvency Act 1986. As licensed insolvency practitioners, we are bound by the Insolvency Code of Ethics when carrying out all professional work relating to the Administration. Statutory information about the Companies, the Administrations and the office holders is given at Appendix 1.

Progress during the period

Significant assets not included in the sale of business and assets:

Debtors

The Joint Administrators have continued to collect debtor receipts, with £58,903 being received in the Period bringing total debtor receipts to date of £714,034 as detailed below:

Company	Debtors receipts previous period £	Debtors receipts in this Period £	Cumulative Debtors receipts total £
QDOS	271,595	4,824	276,420
CLL	27,597	-	27,597
Ridgewall	292,153	54,079	346,232
Nomis	60,154	-	60,154
Telnet	3,631	-	3,631
Totals	655,130	58,903	714,034

We have appointed One North Group Limited to pursue the remaining debts which is ongoing. The level of future realisations in respect to the debtor receipts continues to be difficult to estimate and further updates will be provided in the Joint Administrators’ next report.

Bank Interest

During the period, bank interest totalling £7,663 has been received in respect of funds held in the Administration bank accounts for the Companies as indicated below:

Company	Bank Interest in previous Period £	Bank Interest in this Period £	Cumulative Bank Interest total £
QDOS	5,406	2,923	8,329

Telnet	70	60	130
Totals	11,291	7,663	18,954

Receipts and Payments Accounts

A summary of our receipts and payments for the Period and from 9 October 2025 to 8 April 2026 are shown at Appendix 2. Please note that these accounts do not reflect future estimated realisations or costs, including the Joint Administrators' remuneration and disbursements.

Joint Administrators' Remuneration

The statutory provisions relating to remuneration are set out in Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Administrators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/en/technical/insolvency/creditors-guides> or is available in hard copy upon written request to me.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if they consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Administrators' Fees' referred to above.

As creditors did not requisition a decision on the Proposals and a creditors' committee has not been formed, the Joint Administrators sought approval for their remuneration from the Secured and Preferential Creditors by written resolutions via a decision procedure which concluded 31 January 2025.

The Joint Administrators remuneration has been fixed on the basis of time properly given by them and their staff in dealing with matters arising in the Administration, in accordance with the fee estimates dated 17 October 2025 ("the Fee Estimates") which were circulated to creditors with the Proposals. We have agreed that the level of our remuneration in QDOS and CLL be restricted to 75% and 50% of the Fee Estimate respectively.

During the Period, the Joint Administrators have incurred time costs totalling £208,365 as set out in the table below. An analysis of the time spent, and a comparison with the Fee Estimate is attached at Appendix 4 to this report. Remuneration has been drawn in this Period from Companies: QDOS (£60,000) and Ridgewall (£60,000) totalling £120,000.

Costs incurred in the Period £	
QDOS	53,926
CLL	27,818
Ridgewall	73,924
Nomis	31,910

Joint Administrators' Expenses

During the Period, the Joint Administrators have paid expenses totalling £19,843 plus applicable VAT as set out below:

Company	Expenses paid in previous Period £	Expenses paid in this Period £	Cumulative Expenses Total £
QDOS	5,812	2,264	8,076
CLL	1,149	107	1,256
Ridgewall	9,269	16,718	25,987
Nomis	1,924	647	2,571
Telnet	375	107	482
Totals	18,529	19,843	38,371

A full breakdown of these expenses is included at Appendix 3 to this report.

Distributions to Creditors

Secured Creditors

At the date of appointment, CYB, the first ranking secured creditor, had total indebtedness of c.£6.2m. This amount is cross guaranteed by the Companies. In addition, there are secured loan notes which are cross guaranteed by the Companies in favour of Inflexion and previous shareholders which rank behind CYB and total c.£62.1m, which includes an element of accrued interest.

Based on current estimates, both CYB and the loan note holders are expected to suffer a shortfall in relation to the above amounts.

Preferential Creditors

Primary Preferential Creditors

Claims from employees in respect of accrued but unpaid arrears of pay up to £800, accrued but unpaid holiday pay and certain pension benefits, rank preferentially and in priority to other preferential creditors (see below). These claims are therefore referred to as 'primary preferential creditors'.

All employees transferred to the purchaser under TUPE as a result of the sale to the Purchaser. Consequently, no employee related claims have been received.

Secondary Preferential Creditors

Claims from HMRC, in relation to VAT, PAYE and employees' National Insurance Contributions rank preferentially, but secondary to the employee primary preferential creditors above. These claims are therefore referred to as 'secondary preferential creditors'.

HMRC have provided secondary preferential creditor claims totalling c£2.04m, in respect of PAYE and VAT, as indicated below:

	Claim £
QDOS	366,390
CLL	33,089
Ridgewall	1,190,867
Nomis	401,283
Telnet	52,928
	2,044,557

Based on current estimates, we anticipate there will be a distribution to HMRC, as secondary preferential creditor, in QDOS and Ridgewall. The timing and quantum of any distribution is not yet known, and is dependent on future asset realisations, however we expect HMRC will suffer a shortfall against their secondary preferential claims. Further information in this regard will be provided in the Joint Administrators' future progress reports.

Non-Preferential Creditors

According to the Directors' Statement of Affairs dated 15 November 2024, the Group's total non-preferential unsecured claims (including intercompany balances) are estimated to be in the region of £47.3m as shown below:

Statement of Affairs balances £	
QDOS	3,642,686
CLL	999,027
Ridgewall	40,180,868
Nomis	2,267,412
Telnet	234,939
	47,324,932

Based on current estimates, it is unlikely that there will be sufficient realisations to enable a distribution to unsecured creditors in any of the Group Administrations and therefore no work in relation to the adjudication of non-preferential creditor claims has taken place. Further information on the Prescribed Part is provided below.

Prescribed Part

The prescribed part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The prescribed part applies to floating charges created on or after 15 September 2003.

The secured creditors' floating charges were created after 15 September 2003. Consequently, section 176A of the Insolvency Act 1986 will apply to these Administrations.

However, the Joint Administrators estimate, to the best of current knowledge and belief, that the value of the Companies net property will be £nil and therefore the value of the Prescribed Part will be £nil.

Accordingly, we currently do not expect there will be a distribution to the non-preferential creditors of the Companies via a Prescribed Part distribution. However, should additional funds become available to allow a distribution, we will report this to creditors in due course.

The Joint Administrators do not intend to make an application to the court under section 176A(5) of the Insolvency Act 1986 for an order not to distribute the prescribed part (as we estimate this to be nil).

Remaining Work

The Joint Administrators will continue to deal with the Administration of the Companies in line with the objectives of the Proposals, namely, to achieve a better result for the Companies creditors as a whole than would be likely if the Companies were to be wound up (without first being in Administration).

Further tasks will include, but may not be limited to, the following:

- ▶ realisation of final outstanding debtor balances as noted in this report;
- ▶ dealing with statutory reporting and compliance obligations;
- ▶ distributing amounts due to secured and preferential creditors;
- ▶ dealing with any final unsecured creditor enquiries;
- ▶ reviewing the Companies tax affairs and dealing with corporation tax and other tax matters which includes filing statutory returns;
- ▶ to be begin preparations to finalise the Administrations, including the payment of all Administration liabilities; and
- ▶ any other actions required to be undertaken by the Joint Administrators in order to fulfil the purpose of the Administrations.

Next report

We will report to you again at the conclusion of the Administrations or in six months' time, whichever is the sooner.

Yours faithfully
for the Companies

J Sumpton
Joint Administrator

Expenses exceeding original estimate

- ▶ Agent's costs were previously split between Ridgewall Limited and QDOS SBL Group Limited. Costs in Ridgewall Limited are now estimated to be slightly higher than initial expectations on receipt of invoices.

Notes

1. Statement of Insolvency Practice No.9 defines expenses as any payments from the insolvency estate which are neither an office holder's remuneration or a distribution to a creditor or member.

2. Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do require prior approval (Category 2):
 - ▶ Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder.
 - ▶ Category 2 expenses are payments to associates or which have an element of shared costs.
3. Expenses also include disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Disbursements fall into either Category 1 or Category 2.

Statement of Joint Administrators’ charging policy for remuneration and disbursements pursuant to Statement of Insolvency Practice No.9

Joint Administrators’ charging policy for remuneration

The Joint Administrators have engaged managers and other staff to work on the Administration. The work required is delegated to the most appropriate level of staff taking account of the nature of the work and the individual’s experience. Additional assistance is provided by accounting and treasury executives dealing with the Company’s bank accounts and statutory compliance diaries. Work carried out by all staff is subject to the overall supervision of the Joint Administrators.

All time spent by staff working directly on case-related matters is charged to a time code established specifically for this engagement. Time is recorded in units of six minutes. Each member of staff has a specific hourly rate, which is subject to change over time.

Administrators’ charging policy for expenses

Statement of Insolvency Practice No. 9 divides expenses into two categories:

- ▶ Category 1 expenses are defined as specific expenditure relating to the Administration of the insolvent’s affairs and referable to payment to an independent third party. Such expenses can be paid from the insolvent’s assets without approval from the Creditors’ Committee or the general body of creditors. In line with Statement of Insolvency Practice No. 9, it is our policy to disclose Category 1 expenses drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the expenses drawn.
- ▶ Category 2 expenses are charges made by the office holder’s firm that include elements of shared or overhead costs. Statement of Insolvency Practice No. 9 provides that such expenses are subject to approval as if they were remuneration. It is our policy, in line with the Statement, to seek approval for Category 2 expenses before they are drawn.

It is our policy, in line with the Statement, to seek approval for Category 2 disbursements before they are drawn.
