

Ernst & Young LLP voluntary carbon market disclosures (AB 1305)

The EY global organization comprises independent professional services practices conducted by separate legal entities throughout the world. Such legal entities are member firms of Ernst & Young Global Limited (EY Global), a UK company. Ernst & Young LLP is a client-serving member firm of EY Global operating in the US.

EY Global launched its decarbonization targets in January 2025 to halve absolute greenhouse gas (GHG) emissions by the end of FY30 against an FY19 baseline. This is consistent with a 1.5°C reduction pathway approved by the Science Based Targets initiative (SBTi). The EY Global commitment covers the EY global organization, including Ernst & Young LLP. For detailed information on the EY Global net-zero strategy, including interim progress, third-party verification and approach to carbon offsets, please refer to the "Society" and "BDO Assurance Report" sections in the [EY Value Realized 2025](#) report.
