John Marshall, CEO and Founder, [AirWatch](#), Atlanta GA

AirWatch is the leader in mobile device management, mobile application and mobile content management solutions designed to simplify mobility. Mobile technology is complex, but managing it does not have to be, and Airwatch has developed software that enables the management of any device, anywhere in the world, throughout the full lifecycle. The same concept is applied to the management of apps and content on mobile devices, providing a complete mobility management solution in a single console.

Healthcare and Life Sciences

Michael Cartwright, Chairman, [American Addiction Centers](#), Brentwood TN

American Addiction Centers is a nationwide behavioral healthcare provider focused on addiction treatment and rehabilitation, with hundreds of highly-skilled staff members dedicated to the care and recovery of each patient. Chairman Michael Cartwright has approximately 20 years of professional behavioral and behavioral health experience, having participated in 15 federally-funded studies on dual diagnoses and addiction and helping tens thousands find their way to recovery. His experiences helped create the treatment philosophy at American Addiction Centers which is based on five essential elements that can help any individual beat any addiction.

Deal of the Year

David Cummings, CEO [Atlanta Tech Village/Keyv](#) (former CEO of [Pardot](#)), Atlanta GA
Pardot is a B2B marketing automation software provider that increases revenue and maximizes efficiency for companies with multi-touch sales cycles. It is one of the first companies ever to be able to track the progress of a potential buyer and deliver results to the sellers, helping them know how and when to engage. Pardot was recently sold to Exact Target and founder David Cummings has launched Atlanta Tech Village - the largest high-tech entrepreneur center in the Southeast.

Innovation

David Morken, CEO and Co-Founder, [Bandwidth](#), Raleigh NC
Bandwidth is the 6th largest voice carrier in the United States and the leading choice for those looking to do new things with communications. The communications technology company powers brands such as Skype, Vonage, Google Voice, Pinger and Pandora. Republic Wireless, a division of Bandwidth, is a wi-fi centric mobile phone provider- leverages wi-fi networks in homes and offices for coverage. Launched in 2011, Republic Wireless has already received a large amount of national media attention such as Wall Street Journal, USA Today, ABC World News Tonight, and the New York Times.

Leadership

S. David Passman III, CEO, [Carmike Cinemas, Inc.](#), Columbus GA
What began as a family operation, Carmike Cinemas is the fourth largest motion picture exhibitor in the United States serving primarily mid-size non-urban communities. As of December 31, 2012, Carmike operated 249 theatres in 35 states. In 2012, Carmike Cinemas was named one of America's 100 Most Trusted Companies by Forbes.

Services

Susan A. Butler, Executive Director of Administrative Services, and Ann Eldridge, Executive Director of Clinical Services, [Early Autism Project, Inc.](#), Sumter SC
Early Autism Project, Inc. is a leading provider of home and clinic-based applied behavioral analysis ("ABA") therapy to children with autism spectrum and related disorders. After Susan's son was diagnosed with Autism in 1995, she met Ann Eldridge, a special education instructor at his school. Together, the two have defied odds and built a custom program with 450 trained therapists treating 800 children annually.

Social Responsibility

Dr. Albert J. Siemens, Chairman and CEO, [FHI 360](#), Durham NC
FHI 360 is a nonprofit human development organization dedicated to improving lives in lasting ways by advancing integrated, locally driven solutions. With expertise in health, education, nutrition, environment, economic development, civil society, gender equality, youth, research and technology, FHI 360 has created a unique mix of capabilities to address today's interrelated development challenges. FHI 360 serves more than 60 countries and all states and territories in the US with 4,200 staff members - resulting from a collaborative effort between Family Health International and the Academy for Educational Development in July 2011.
